

## **Toronto Public Health Grade 7/8 Student School Immunization Programs are Back**

Beginning September 14, all eligible students in grade 7 and above who were not able to receive their meningococcal conjugate (Menactra/Nimenrix), hepatitis B, and human papillomavirus (Gardasil) vaccines may receive them at designated city-run COVID-19 immunization clinics.

**Appointments can be booked online at [www.tphBookings.ca/tph/studentvaccines](http://www.tphBookings.ca/tph/studentvaccines)** for designated city-run clinics Tuesdays to Saturdays between 1 pm and 7 pm.

Walk-ins will not be accepted.

*If you are unsure if your child has had these vaccines, or you would like to report vaccines that they had done, please log in with your child's health card at <https://tph.icon.ehealthontario.ca/>*
