

Dear Patients,

I am writing with mixed emotions to let you know about changes coming to Bayview Family Practice. As many of you know, there are plans to build a condominium on the site of our medical building at 586 Eglinton Ave East. The need to move has compelled us to consider our options and goals. After much consideration, Bayview Family Practice will close its doors on December 31, 2023. As you can imagine, after 25 years of working so closely together this is not a decision we took lightly. We have shared many important milestones together and with you, our patients. We are parting ways with the utmost respect for one another, and gratitude for the opportunity to work together and with our amazing staff.

I will be relocating my practice to the Women's College Hospital Family Practice Health Centre (FPHC) at 77 Grenville St. in downtown Toronto (Bay & College) on January 1, 2024. The FPHC is affiliated with the University of Toronto, Department of Family and Community Medicine and is made up of a group of physicians and interprofessional healthcare providers committed to providing exceptional primary care and educating learners. Should you decide to continue your care with me, you may also have clinic visits with supervised family medicine residents or medical students. This is where I began my career and I feel very fortunate to be returning to contribute to the education of future family physicians. More information about the Women's College FPHC can be found at [Family Practice Health Centre \(FPHC\)](#)

**Starting December 1, 2023**, you may book appointments with me **for January 2024** onward at the Family Practice Health Centre by phone (emails are not accepted). The contact number is 416-323-6060.

I respect and understand that for various reasons my new location may not meet your health care needs. **Your medical records will automatically be transferred to Women's College Hospital unless I receive written authorization from you to transfer them to another physician.**

Dr. Casey Rosen will be joining the Wilson Medical Group at 343 Wilson Ave office as of January 1, 2024. If you wish to transfer to her care, please call 416-785-8412 after November 20, 2023, and mention you are a patient of mine. If you decide to search for a new family doctor this link may be helpful. [Find a Family Doctor](#)

Participating in your health journey and sharing moments of joy and sadness with you and your family has made me a better physician and person. Thank you for the privilege of being your doctor.

Claire Murphy MD CCFP M.Med FCFP
